\$188,557.88
\$192,687.00
\$219,349.75

Recommended Quote or Bid:

GM Contracting, Inc.

\$188,557.88

General Information:

This project will construct a raw water main along Vernon Avenue from Hansen Road to Sherwood Rd connecting to existing segments. This segment of raw water main was part of a larger project listed in the CIP for 2014 but due to a proposed 2013 street pavement mill and overlay project by Hennepin County, staff is recommending this work be completed by June 28, 2013.

The remainder of the project to connect Well No. 15 located at Mirror Lakes Drive and Interlachen Boulevard and Well No. 9 located at Hansen Road and Benton Avenue to the new water treatment plant located in the lower level of the Grandview Parking Ramp will be completed in 2014.

Staff recommends awarding the project to GM Contracting, Inc.
